Methods of Safari Payment

Important Notes

1. Let your credit card company know you will be travelling to Africa
2. We need to add 3% on top of the outstanding amount if you want to pay by credit card
3. Wire transfers are the best. You can arrange with your bank that you might have to contact him/her to do a wire transfer for you. It takes 24 hours to get into our account if it is done before 12 noon USA time.
4. Cash or travelers cheques is the only other methods of payment
5. **No personal cheques or bank cheques are accepted**

It is important to note the following details. This will ensure that your safari ends smooth and without complications.

Payments Schedule

Your Safari would only be scheduled onto our year planner once we do receive a deposit from you. A minimum deposit of the daily rates is required to secure your booking.

Trophy fees can be paid up before the safari starts BUT no client will leave camp without trophy fees being paid in full. Wire transfers can be arranged from camp a day before departure to ensure your safari is paid in full when you are due to depart.
